### **Robert Rubin joins National Capital Companies, LLC as a Managing Director**

Bethesda, MD, September 30, 2005/PRNewswire/ -- National Capital Companies, LLC, a Maryland based investment banking firm which specializes in providing industry focused M&A advisory and corporate finance services to mid-market companies announced today the appointment of Robert Rubin as a Managing Director and senior advisor in the firms government contracting, software and IT services M&A advisory practice.

“We are very excited to have Rob join our team” commented Darren S. Womer, President and CEO of National Capital. “His deep industry knowledge, contacts that are long standing and trusted, and finally his impressive track record of completing transactions in the government contracting and IT technology industries brings tremendous value and depth to our team. Rob’s leadership will play a key role in National Capital’s continued expansion and success in these verticals.

With more than 25 years of M&A and corporate finance experience in Fortune 100 and entrepreneurial environments, Rob’s clients receive a wealth of transactional and industry specific experience with which to enhance and maximize shareholder value. Rob gained banking experience at Citicorp where he was a commercial lending officer. He was also Director of Corporate Development for Revlon, Inc. and Director of New Business for Sterling Drug, Inc. where he was involved in closing more than 25 transactions worldwide. For the last 10 years his efforts have been focused on M&A and corporate finance transactions for IT and professional service companies supplying a wide array of services and products to federal, state and local governments. He earned an MBA in Corporate Finance from the Wharton School of the University of Pennsylvania and an undergraduate degree from the University of Maryland with a major in accounting.

#### **About NCC**

For the past 19 years, National Capital has provided M&A and corporate finance advisory services to mid-market companies in the government contracting, software and IT services industries. Services offered include M&A advisory and fund raising including private equity. NCC has provided critical investment banking services to more than 250 clients and has a demonstrated track record for successfully completing transactions. For more information visit:
